All these events led to severe competition, demand of high quality standards of drugs and pharmaceuticals, introduction of new generation of drugs, emerging biotechnological methods for the production of extremely efficacious drugs. Therefore our goal is to produce a workforce of pharmaceutical technologists who will be globally acceptable for their technological skills, their quality of work and a habit of hard work.

I heartily welcome all the students into our family and wish them a positive phase of learning and enjoyable stay at Sri Lakshmi College of Pharmacy, Thudiyalur, Coimbatore.

% of Marks Obtained	Letter Grade	Grade Point	Performance
90.00 - 100	O	10	Outstanding
80.00 – 89.99	A	9	Excellent
70.00 – 79.99	B	8	Good
60.00 – 69.99	C	7	Fair

MODE OF EXAMINAITONS

The End Semester Examinations for each theory and practical course through semesters I to VIII shall be conducted by the university except for the subjects that are non-university examinations shall be conducted by the subject experts at college level and the marks/grades shall be submitted to the university.

The Semester grade point average (SGPA)

The performance of a student in a semester is indicated by a number called Semester Grade Point Average' (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses by the student during the semester. For example, if a student takes five courses (Theory/Practical) in a semester with credits C1, C2, C3, C4 and C5 and the student's grade points in these courses are G1, G2, G3, G4 and G5, respectively, and then students' SGPA is equal to:

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

The SGPA is calculated to two decimal points. It should be noted that, the SGPA for any semester shall take into consideration the F and ABS grade awarded in that semester. For example, if a learner has a F or ABS grade in course 4, the SGPA shall then be computed as:

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4 * ZERO + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

Cumulative Grade Point Average (CGPA)

The CGPA is calculated with the SGPA of all the VIII semesters to two decimal points and is indicated in final grade report card/final transcript showing the grades of all VIII semesters and their courses. The CGPA shall reflect the failed status in case of F grade(s), till the course(s) is/are passed. When the course(s)is/are passed by obtaining a pass grade on subsequent examination(s) the CGPA shall only reflect the new grade and not the fail grades earned earlier. The CGPA is calculated as:

$$CGPA = \frac{C_1S_1 + C_2S_2 + C_3S_3 + C_4S_4 + C_5S_5 + C_6S_6 + C_7S_7 + C_8S_8}{C_1 + C_2 + C_3 + C_4 + C_5 + C_6 + C_7 + C_8}$$

where $C_1, C_2, C_3,....$ is the total number of credits for semester I,II,III,.... and $S_1, S_2, S_3,....$ is the SGPA of semester I,II,III,.... .

Declaration of class

The class shall be awarded on the basis of CGPA as follows:
First Class with Distinction = CGPA of. 7.50 and above
First Class = CGPA of 6.00 to 7.49
Second Class = CGPA of 5.00 to 5.99

PROJECT WORK

All the students shall undertake a project under the supervision of a teacher and submit a report. The area of the project shall directly relate any one of the elective subjects opted by the student in semester VIII. The project shall be carried out in group not exceeding 3 in number. RAGGING MENACE AS PER UNIVERSITY GRANT COMMISSION (UGC)

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years, ragging has claimed hundreds of innocent lives and has ruined the careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.

The Ragging is defined as any disorderly conduct, whether by words spoken or written or by an act, has the effect of teasing, treating, or handling with rudeness a fresher or a junior student. Indulging in a rowdy or undisciplined activity that causes or is likely to cause annoyance, hardship, or psychological harm or to raise fear or apprehension thereof in a fresher or junior student. Asking the students to do any act or perform something that such students will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or junior student. This can lead to adverse effects such as depression, anxiety, and sometimes even suicide.

Punishment Provisions

Any student or group of students found guilty of ragging on campus or off campus shall be liable to one or more of the following punishments:

- **Debarring from appearing in any sessional/ test/ university examination or withholding results**
- **Suspension from attending classes and academic privileges**
- **Withdrawing scholarships and other benefits**
- **Suspension from the college for a period of one month**
- **Cancellation of admission**

- **Debarring from representing the institution in any national or international meet, tournament, youth festival, etc**
- **Suspension/expulsion from the hostel**
- **Rustication from the institution for periods varying from 1 to 4 semesters or equivalent period**
- **Expulsion from the institution and consequent debarring from admission to any other institution**
- **Fine up to twenty five thousand rupees**
- **Imprisonment for a term which may extend to two years or with fine which may extend to ten thousand rupees or with both**
- **Collective punishment - When the students committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community pressure on the potential raggers.**

Any institution that fails to take adequate steps to prevent ragging or fails to act in accordance with the Regulations or fails to punish perpetrators or incidents of ragging suitably is liable to the penalties and punishments as per the provisions of the Regulations.
